

Items not accepted for residential trash cans or commercial and residential dumpsters:

- Dirt, rock, concrete, asphalt, or sod.
- Flammable materials such as oil and gas.
- Hot ashes and coals
- Hazardous and toxic waste such as septic tank waste, unbagged animal waste, or medical waste

- Explosive or radioactive materials
- Cleaning solutions, pesticides, yard chemicals
- Paint or stain
- Liquids of any kind

- Air and gas cylinders or tanks
- Automotive products including motor oil, tires, and batteries
- Metal and debris from construction, remodeling, or demolition projects.

Examples include: rebar, t-posts, large appliances, shingles, drywall, bricks, cinderblocks, or tile.

- Any rechargeable batteries
- Waste that is of such volume, weight, and/or composition that it cannot be reasonably accommodated by the collection vehicles.
- Anything that poses undue risk to our operators or equipment.
